

The Neutron Scattering Society of America

Application for Child Care Grant
ACNS 2008 - May 12-15, 2008 – Santa Fe, NM

The [NSSA](#) is pleased to announce that a limited number of modest child care grants are available to [NSSA members](#) with small children who are attending the ACNS 2008 meeting. Grants up to \$200 will be provided to assist with the additional child care expenses incurred in connection with bringing your child with you to the ACNS 2008 meeting or in arranging for childcare at home while you attend the meeting. Allowable expenses may include travel for you or your spouse/partner/caregiver, baby sitters, or day care. Pertinent receipts must be provided for all claimed expenses.

To qualify please complete the Application for Child Care Grant. Applications must be received by May 2nd, 2008 to be considered by a subcommittee of the NSSA Executive Committee. In the event that the number of requests for grants exceeds the funding available, preference will be given to applicants in the early stages of their careers.

Please complete this form and fax to (630) 252 7777, Attn. Suzanne te Velthuis, or email to tevelthuis@anl.gov.

Please print (or type) all information.
